Paired Activity

The European Youth Parliament has invited young people to present their ideas on young people's cultural interests. Your school has been chosen to give a **presentation** on **what defines today's youth culture**.

Discuss the aspects below and decide which of them are most relevant today. Agree on three.

- music
- TV series
- books
- language
- art

Task 2

Individual Long Turn

- Compare and contrast the pictures.
- Discuss which kinds of art should be funded by the government.
- Speculate about the influence of digital media on art.

Paired Activity

An American publisher has decided to provide free online teaching material on a number of texts. They are asking students to **suggest literature for English classes** suitable for 17- to 19-year-olds. Consider literature you have read and focus on the following aspects:

- level of difficulty
- topics
- characters
- setting
- educational value

Discuss your suggestions and come to a clear decision on two works of literature that you would like to read in class.
