Paired Activity

Schools all over Europe have been invited to the European Youth Parliament to discuss **laws that young people are concerned about**. Your school has asked you to give a 10-minute presentation.

Decide which of the aspects below you want to include in your presentation:

- animal rights
- immigration laws
- voting age
- observation by video cameras
- environmental laws

Come to a clear decision on which two issues you would like to include in your presentation.

Paired Activity

You have been invited to take part in an international youth forum on laws concerning young people. Your topic is **“Which legal rights should be granted at the age of 16?”**

Consider the following issues:

- piercings and tattoos
- buying hard liquor
- plastic surgery
- driving
- starting a company

Discuss your ideas and come to a clear decision on which three topics you want to present to the forum.
